JAMIE BROWNFIELD

From Wrexham, extremely talented, and award winning trumpet player by the British jazz awards. Jamie once played at 38000 Ft on a flight to New Orleans, where he played with Leroy Jones, from the Harry Connick Jr Orchestra, and John Cleary. He also performed for an audience of 25000, at the F1 at Silverstone.

Jamie runs several bands. The Brownfield/Byrne Hot Six will be performing here in the not to distant future.

BABY JOOLS

Julyan Aldridge, our guest drummer for this months session, was playing professionally at 17 years old. Originally from Gloucester, but now in the West Midlands, he joined the Max Collie Rhythm Aces some time ago, and Has also performed with Kenny Ball.

Jools is currently bandleader for the ever popular in this country, and Europe, Jazzaholics. Baby Jools, and the Jazzaholics will also be performing at this club very soon.

JOHN HALLAM

John is an outstanding, and accomplished musician, who is equally at ease with many forms of music on a number of reed instruments.

As a freelance, professional musician, he has worked with many of the finest musicians from both sides of the Atlantic. His work has covered radio, television, jazz workshops, and projects for education.

TOM KINCAID

Originally from Bangor, and now resides in Manchester. Tom, leader of the 3 Bears jazz trio, has a very impressive history. His sought after swinging piano style, has become one of the most recognised in jazz in the country. Tom has played with the likes of Wendell Brunious, Scott Hamilton, and even Shakin' Stevens. He has also performed at many venues, Ronnie Scotts, and the 606 club to name a couple. The ever popular 3 Bears are widely known as far as Switzerland.

JIM SWINNERTON

The local boy, from Garstang. Originally a clarinet player, Jim started playing double bass at 18 years old. Very influenced by early slap bass jazz recordings, of Pops Foster, and many others. A familiar face at most jazz clubs, and festivals in this country, and abroad. Jim played as far as New Zealand, and Mumbai, with a rock'n'roll show, and has played with many notable people through the years. Jim is now organiser of Garstang Jazz Club.
