Description:

More info from Greg Robleygregrobley@hotmail.co.uk Hi everyone, Just a quick hello to let you know about Jazz'n'chiPs this May. Lots of great Monday's for you all. Firstly as always, many thanks to all of our entertainment through April, namely Gwyn Evans, Billy Thompson, Ivor Aldred, Mal Fisher and Doug Lear. And so as promised, here's May. Bank holiday Monday on the 7th sees the return of The String Wizard Eryl 'Elj' Jones. Elj is going to be busy in the studio this next week, hopefully putting the finishing touches to his album, which should be available from next month. You know the score, Gypsy Jazz, Americana, Folk, Celtic, Guitars, Banjo, Mandolin. What more could you want on a Monday night, apart from Fish and Chips!! On the 14th of May we welcome back Trombone player Morris Jones. Morris is leader of North Wales Trad band Jazz Rag. What he don't know about Trad Jazz, it ain't worth knowing! Jazz Trumpet player Neil Yates will be joining us again in the chippy on the 21st of the month. Neil is one of the most respected Jazzers in the country. As well as being a busy session musician and composer, he is also curator of the Llandudno Jazz Festival which will be held on the 28th and 29th of July, I'm sure he'll mention it on the night if you want any information! Kirk Ward won't be sailing across the Atlantic this year so seeing as he's at a bit of a loose end this summer, we thought we'd have him back at the chippy for a Monday night on the 29th. Four great gigs for May then! Hopefully we will see most of you there this month. If you want to get booked in give us a bell. The number is 01758 612641. As always let us know if you book but then can't make it, people may be waiting for cancellations. That's yer lot for now!, see you in Jazz'n'chiPs @Allports in May. Greg

Description:

"Our sessions at St Helens Bowling Club take place on the second Sunday of each month at 8 30 pm. We have a nucleus of 'house' musicians -Derek Skepper, Pete Darwin, John Higham and Keith Allcock -- and up to three guests each session. The door charge is £5. The guests tonight will be - Terry Brunt (trombone), Dave Dixson (reeds) and Dave Alexander (guitar) so some really good music-making is assured. Terry has appeared many times at the Bowling Club and is a great favourite, as he is everywhere he plays, with his extrovert, but also very accomplished, playing - the scarf and beret are a bonus! Dave Dixson is a very well known figure in Merseyside jazz circles, playing and singing with a number of bands, including the Merseyssippi, the Peninsular and the Wirrorleans jazz bands. Dave Alexander, from Wrexham, is a terrific guitarist who is a great favourite of other musicians and features in particular with the Five and a Penny Jazz Band in the Chester/North Wales area. A great set of guests then, so please do your best to support us. Regards, Keith, John, Derek, Peter.

The band enjoy seeing you all and welcoming new faces. We enjoy our music and want you to enjoy it too. We are trying to promote our 'club' sessions and would like to invite you to promote it to others you feel would 'get a kick' out of it too. The more the merrier. Good fun, good friends, and good music. If you have tune requests please email me or ask on the night. We will do our best to play the tune you want. We may need to put it the 'book' for the month after. Please let me know if you no longer want to receive this newsletter. Simply click on the 'unsubscribe button' below. Bu please tell me why you are leaving. I will miss you. You can also email me at: southsoundsjazz@aol.com or phone 07831 383636, any time you want information, directions - or just want to say "Hi". June 2018
2nd - Leeds Jazz Orchestra - another first appearance at JITS by this Big Band formed originally in 1990 and associated for many years with Leeds College of Music. Now a fully independent unit, the band performs in a variety of formats which includes the classic Big Band numbers plus an extensive repertoire of ballads, blues and standards. Another gem for the Big Band fans amongst you.
9th - Frank Brooker's Happy Chappies - one of our favourite local groups. Our local hero, Frank leads a star line up which includes Greg Wadman on trumpet, Jim Wright on guitar/banjo, Phil Kampen on bass and all driven along at a pace by our favourite drumming man, Rod NacNamara. As we have said before - Happy Chappies equals happy sounds!
16th - Hot Club du Nord - a truly swinging group from the North East which re-creates the classic sounds of the 30s and 40s of Django Reinhardt and Stephane Grappelli's Hot Club of France. Led by the talented Emma Fisk on violin, the group includes the superb guitar of long-standing friend Jim Birkett plus the inimitable bass of Bruce Rollo. Superb sounds as the group performs jazz on strings of the highest order.
23rd Jazz Connection - a stunning jive and swing show from this outstanding group from the Netherlands which has played for us previously to massive acclaim. Jazz Connection is a truly swinging group which recreates the Jump/Jive and R and B sounds loved by so many. You are guaranteed a spectacular and memorable evening. As the song says,..... "an A1 combination!"

Just thought I'd mention I've been promoting a monthly Jazz Session here in Whitchurch for the past six months. It's called 'JAZZ AT THE ANCHOR' (the Anchor being a Whitchurch Pub). We meet on the third Wednesday each month, and the music is usually played by 'The Derek Harrison Trio' with Guests. Regulars are 'Mad Ed' Lloyd Hughes - Bass and Graham 'Rockit' Ashley on drums. It's a small venue, serving good food and ale, and as a result we are getting 'sell-outs' each month. It's wise to book ahead and The Anchor tel. no. is 01948 663086.
