Club details and gig list [Map](#) Our next gig, on Tuesday 13 March at Kendal Rugby Club (8pm) features 'CDF' (strictly speaking, that should be Fsharp, but my limited keyboard skills don't run to musical symbols). And sharp is a pretty good description of leader Frank Flynn's wit and invention at the keyboard, while the C stands for virtuoso guitarist and bass guitarist Chris Hodder, and D for Dave Minshull at the drums. We can't really tell you what to expect from the mercurial Frank, but there will certainly be lots of fun and swinging straight-ahead jazz. £10 on the door. Bruce

**Description:**

Just thought I'd mention I've been promoting a monthly Jazz Session here in Whitchurch for the past six months. It's called 'JAZZ AT THE ANCHOR' (the Anchor being a Whitchurch Pub). We meet on the third Wednesday each month, and the music is usually played by 'The Derek Harrison Trio' with Guests. Regulars are 'Mad Ed' Lloyd Hughes - Bass and Graham 'Rockit' Ashley on drums. It's a small venue, serving good food and ale, and as a result we are getting 'sell-outs' each month. It's wise to book ahead and The Anchor tel. no. is 01948 663086. 'Professor' Derek Harrison - Piano
